Professional Experience

Luisa has over 10 years of litigation experience. Her background is in civil and commercial litigation, focusing on large and complex commercial litigation over recent years.

A particular focus of her practice is advising on, conducting and resolving commercial, shareholder and governance disputes, including those involving restructuring and distribution of substantial assets.

Luisa communicates proactively with her clients and is highly effective in the preparation and management of complex litigation. Successful legal and commercial outcomes are always Luisa's paramount objective.

Luisa brings to Lipman Karas her extensive experience and practical approach towards litigation.

Project Highlights

- Luisa has acted in numerous local and national commercial disputes for a wide range of corporate, professional and private clients.
- Luisa is also experienced in directors and shareholders disputes, including those involving oppressive conduct and breach of directors' duties and winding up applications.
- She is also experienced in disputes involving professional advice.
- In 2003 Luisa conducted the landmark case of *Morton v WorkCover*, where she successfully challenged the validity of state legislation establishing compensation entitlements for professional AFL footballers.
- Luisa has acted for international underwriters in respect of commercial disputes in the electricity distribution and supply, water distribution and manufacturing sectors in the state of Victoria.
- Luisa has also acted for many high profile clients in the hospitality and sporting industries.
