Professional Experience

Stephen was a Judge's Associate in the Supreme Court of South Australia and later in the Federal Court of Australia before commencing litigation practice in Adelaide. Stephen later worked in a large Channel Islands firm of Advocates in Guernsey before returning to Adelaide to join Lipman Karas.

Stephen's litigation experience has covered a number of industry sectors with a more recent focus on disputes and regulation in the financial services industry. Stephen has acted in large scale and complex litigation including cases involving allegations of breach of trust, breach of fiduciary duty, professional negligence and fraud.

Stephen graduated from the University of Adelaide in 2002 with a Bachelor of Laws with Honours, having been awarded several academic prizes including the Roy Frisby Smith Award for best results in the subject Corporations Law and the Stow Prize for exceptional performance in two or more courses.
